## MARCH STUDENT AWARD OF EXCELLENCE

Congratulations to our recipients of the March Student Award of Excellence! This month we had three recipients: Josiah Hofman of Wahpeton, Sophia Viger of Campbell, MN and Jamie Geyer of Lisbon. Josiah is a junior at Wahpeton High School and is enrolled in the Construction Technology Program through SRCTC. He was nominated by his instructor Mr. Stone. Sophia is a senior at Campbell-Tintah High School and is enrolled in Advanced EMT/Patient Care through SRCTC. She was nominated by her instructor Mrs. Wertz. Jamie is a senior at Lisbon High School and is enrolled in the Agricultural Education program at Lisbon High School through SRCTC. She was nominated by her instructor Ms. Montgomery. Congratulations to all our winners!

**TEAM SRCTC HOSA/FUTURE HEALTH PROFESSIONALS ARE STATE CHAMPIONS!!!  
QUALIFYING FOR INTERNATIONAL HOSA CONFERENCE, NASHVILLE, TN, THIS JUNE.**

On March 20-22, 12 of SRCTC HOSA Future Health Professional Team members competed at the 10<sup>th</sup> Annual ND HOSA STATE LEADERSHIP CONFERENCE, held at the Alerus Center in Grand Forks. Over 630 members competed in more than 60 different competitive event categories. SRCTC HOSA team members competing included: Laikyn Roney, Tyler Thompson, Aspen Hill, Shelby Baasch, Kate Harris, Brynn Dethlefsen, Kadence Wiedmeier, Elizabeth Peters, Bethany Harris, Paige Bakke, Ellecia Cline and Lily Thorpe.

**CONGRATULATIONS TO THESE OUTSTANDING STUDENTS AND THEIR ACHIEVEMENTS!!**

Aspen Hill competed in Clinical Nursing and won Gold, First Place State Champion!! Laikyn Roney, Tyler Thompson and Shelby Baasch competed in Physical Therapy, with Laikyn Roney winning Gold Medal, First Place State Champion, and Tyler Thompson earning Silver Medal Second Place. Bethany Harris & Paige Bakke were awarded the Silver Medal Second Place in EMT competition, along with Lily Thorpe and Ellecia Cline achieving Bronze Medal third place in EMT as well.

Tyler Thompson won the T-shirt design competition, and was honored with a trophy presented to her at opening ceremonies, and the awesome sight of seeing over 600 competitors wearing her winning designed t-shirt during the conference.

Elizabeth Peters campaigned for a position on the HOSA State Officer Team. Elizabeth delivered an outstanding speech, and though she was not one of the elected officers, she stated having an awesome experience, along with meeting some great friends in the process.

Elizabeth Peters, Brynn Dethlefsen, and Kadence Wiedmeier all competed in Medical Spelling, with Elizabeth placing in the top 10 of this event.

Kate Harris competed in Nursing Assistant, Shelby Baasch and Elizabeth Peters also competed in the CPR/First Aid team event.

Laikyn, Tyler, Aspen, and Brynn competed in the HOSA Bowl event, which is much like the Jeopardy Game show, with questions based on medical facts.

It was a super busy time, with competition held Monday and Tuesday, along with 2 full days of workshops available for students to participate in. UND hosted a Trauma Simulation Truck, Anatamoge held a tournament which Brynn, Laikyn, Kate, Tyler and Bethany enjoyed participating in as well. Sanford Life Flight was on sight, allowing students to explore the helicopter and ask career questions of the flight team. Lake Region College demonstrated labor and delivery, nasogastric tube placement, suturing, pediatric trauma and phlebotomy skill stations. Grand Forks Law Enforcement were on sight demonstrating self-defense and situational awareness workshops as well. HOSA members enjoyed time spent at the water park and a light show dance party. New bonds of friendships were established and great memories were shared by all.

Aspen, Laikyn, Tyler, Paige, Bethany, Ellecia & Lily have achieved the honor of advancing to compete at the INTERNATIONAL HOSA LEADERSHIP CONFERENCE, which will be held this year at the Gaylord

Opryland Hotel and Conference Center in Nashville, TN June 21-25. This outstanding group of SRCTC HO-SA students are excited and looking forward to this awesome opportunity.

The HOSA group will be organizing a fundraising campaign to help with some of their expenses. HOSA Members THANK YOU all in advance for your support and look forward to the honor of representing SRCTC HOSA and our great state of North Dakota as they compete at the International Leadership Conference. These wonderful students deserve a huge round of applause for their tremendous achievements. It is truly a blessing to see their hard work and dedication recognized. AWESOME JOB, SRCTC HOSA!!!! PROUD OF YOU ALL!!

# Auto Tech-Oakes

## By Mr. Andrus

The 1<sup>st</sup> and 2<sup>nd</sup> hour Auto Tech class went on a field trip to Oakes Truck and Trailer in Oakes. Warren Moe, the owner of Oakes Truck and Trailer, greeted us and gave the class a tour of his shop. He emphasized how important the trucking industry is and how trucks have become very sophisticated with electronics.

On the tour, students saw several types of equipment that are used to help the technician work on the trucks. As they went through the shop, Mr. Moe pointed out the trucks that were being worked on and commented on what was being repaired. They were also introduced to some of the staff. The students learned that there are more than just technicians that work in this type of shop. There are several occupations in a diesel shop. The students also saw one of several tow trucks that you must be certified in order to operate, according to Mr. Moe.

On behalf of the Southeast Region Career and Technology Center, I would like to thank Mr. Moe for taking time out of his busy schedule to give a tour of his facility to the Auto Tech class.

## Auto Tech-Edgeley *By Mr. Weigel*

The Edgeley and Kulm Auto Tech students have been very busy learning all sorts of new things. The Auto Tech students are learning about manual transmissions and how a clutch operates. Next, we will be working with automatic transmissions. The Auto Upkeep students in Edgeley just finished learning about ignition systems and now are working on steering, suspension and tires. The Auto Upkeep class in Kulm just completed a section about safety around the vehicle and taking a tool test. They will move on to learning how to wash, vacuum and take care of a vehicle.

We have been blessed with some new tool donations by some community members; we received new clip removal tools, drill bits and some magnetic pickup tools. Green Iron Equipment donated a screwdriver set, pry bars, hand cleaner, towels, and some miscellaneous cleaners to the Edgeley school as part of their buy-a-tool/give-a-tool program.

# Health Careers

*By Mrs. Keaveny*

Health Careers class is learning about career ready Practices and Soft skills. This week we have Discussed Teamwork, Initiative, Responsibility, Attitude and Communication. The students were given a mouth piece and simple phrases to relate to their classmates to demonstrate the difference between communication and effective communication.
