SRCTC is an Equal Opportunity Employer

February is CTE Month!

The board, faculty, administration and students at Southeast Region ask that you join in celebrating national Career and Technical Education (CTE) Month. This year's state theme is **CTE CHAMPION!** This is a time when we showcase CTE programs that prepare students to be college and career-ready and prepares them for high wage, high-demand career fields and advanced college programs. In February and March, SRCTC in Oakes and Wahpeton will be hosting separate tours for the freshman of Campbell-Tintah, Ellendale, Fairmount, Hankinson, Lidgerwood, Milnor, Oakes, North Sargent, Richland, Sargent Central, Wahpeton and Wyndmere. Watch for our spread in your local newspaper in February!

STUDENT TOURS AT SRCTC

Wahpeton	Wednesday, February 9
Wyndmere	Tuesday, February 15
Campbell/Tintah	Wednesday, February 16
North Sargent Sargent Central	Wednesday, February 16
Fairmount	Thursday, February 17
Ellendale	Tuesday, February 22
Lidgerwood	Wednesday, February 23
Richland #44	Wednesday, March 9

JANUARY STUDENT AWARD OF EXCELLENCE

L-R: Lauren Hauden and Desi Severance, Ag Instructor

L-R: Syrinna Seibold, and Dan Spellerberg, Director

L-R: Joe Weigel, Auto Instructor and Rhett Moch

Congratulations to the following recipients of the January Student Award of Excellence!

Lauren Haugen of Wyndmere is a junior at Wyndmere High School and is enrolled in Ag Education with Mrs. Severance. Syrinna Seibold is a senior at Wahpeton High School and is enrolled in Ag Education with Mrs. Pastir. Rhett Moch is a senior at Edgeley High School and is enrolled in Automotive Technology with Mr. Weigel. Congratulations to our winners on a job well done!

MEET OUR STUDENT TEACHER

I would like to take this time to introduce myself. My name is Claire Alderman. I am currently a senior majoring in Agricultural Education with a minor in Extension Education at North Dakota State University. I have had the fortunate opportunity during this spring semester to be placed in Wyndmere Public School as a student teacher under the guidance of Mrs. Desi Severance.

I am from Garrettsville, Ohio, a small town in the Northeast corner of the state. Garrettsville is a rural town, and I grew up on a small homestead with big gardens, maple syrup, horses, chickens, and many dogs and cats. Throughout my childhood and into high school, I was an active member in Portage County Farm Bureau (my home county). I was also involved with local park districts educational programs.

I have held several job positions that are relevant to the educational and agricultural fields that have greatly added to my content knowledge. I held a job as laborer on a local dairy farm. I served as a nanny throughout high school. I have also had the invaluable opportunity to work with youths internationally in the country of Nicaragua through an organization called Messiah Project Nicaragua. This served to provided educational opportunities and small daily programs to local children. Lastly, I have worked with the North Dakota State Center for 4-H Youth Development office for the past year as a student worker/intern.

It was through these positions, I decided to pursue a career that involved both agricultural and educational elements. That is what brought me to gaining a degree in Agricultural Education at North Dakota State University.

I know that I can add beneficially to your children's education. I think that I can bring unique perspectives to the field of agriculture and industries within North Dakota as well as outside it. I am looking forward to learning more about teaching from the mentorship of Mrs. Severance and to gain experience through action.

Thank you for providing me with the fortunate opportunity to learn and work within your wonderful school! I look forward to being a part of this community and to learn from all of you.

School Counseling week focuses on bringing attention to the unique contribution of School Counselors in the school system. School Counselors help students achieve school success and plan for a career. School Counselors partner with school-based mental health professionals, administration, and teachers to help provide an environment that supports the whole child. “Two heads are better than one!” Collaboration is key in helping our students grow and learn. School Counselors focus on social-emotional skills, academic success, and career development as today’s students become tomorrow’s productive, contributing members of society. If you have any questions or concerns (or ideas for improvement!) regarding our School Counseling program, please talk to your school counselor!

Wahpeton	Thursday March 17 3:30-9:30
Oakes	Tuesday March 22 4:30-8:00

February is CTE month to promote career and technical education. The Automotive Tech students at Southeast Region Career and Technology Center in Oakes will be showcasing some of the skills they have learned this school year. Each Friday in the month of February, we will be offering oil and filter changes, under-the-hood fluid level checks and tire pressure checks on customers' vehicles. This will be by appointment only.

Please contact John Andrus at 701-210-0845 or call Southeast Region at 701-742-3248. The students will do the work under the supervision of their auto instructor, John Andrus. You will be asked to supply your own oil and filter. A free will donation will be very much appreciated.

 *Happy
Valentine's Day*

CULINARY ARTS/BAKING AND PASTRY/FCCLA

By Anna Kemmer

Can you say DONUTS?! Baking and pastry students have been perfecting their skills in making bismarcks, long johns, raised donuts and beignets. This is one of the final lessons in the enriched yeast breads unit in our curriculum. Following this unit, we will be moving onto the puff pastry or laminated doughs unit which will include croissants, bear claws and more!

Culinary students have been busy in their meat unit. We have had multiple labs using pork chops, ribs, and now seafood! Balsamic glazed pork chops, many flavors of ribs and shrimp alfredo have topped the list of recipes so far.

FCCLA students are preparing to compete in their challenge tests and for the first time, STAR events! Wish them well on February 9th for their STAR event competition! February is our annual Valentine's Day cupcake sale as well - order soon to get yours!

SRCTC Oakes FCCLA
